TURKEY**

September 16 - October 01, 2025
Led by Local Guide

Can be combined with Lebanon Tour (October 01 - October 09, 2025)

Eastern Turkey is the true cradle of civilization, encompassing the earliest farmers, the great Hittite and Urartian empires of antiquity, the conquering Romans, early Christian churches, and medieval fortresses. Bordering Georgia, Armenia, Iran, Iraq, and Syria, this seldom-visited region offers travelers simply incredible sights. See the earliest "temple" at Göbekli Tepe with its 12,000-year-old carvings. Visit Hittite sites with carved reliefs, and cuneiform inscriptions on the Urartian capital at Tushpa. Explore the Biblical connections of Urfa and Harran (where Abraham once lived), and Mount Ararat, claimed to be the final resting place of Noah's Ark. Eastern Turkey is a fantastic repository of ancient Roman, biblical, Seljuk, Armenian and Crusader relics. See the magnificent carvings in the Armenian Church on Akdamar Island in Lake Van, and an entire ghostly ruined Armenian city at Ani. And you will not forget the stunningly situated sculptured heads of Nemrut Dag, or Ishak Pasha Palace, the Taj Mahal of Turkey.

Special Trip remarks:

Moderately Vigorous Touring - You will be covering a lot during this journey. The roads are good and the bus very comfortable. Some driving days are long. There will be several restroom stops along the way. It is important to recognize the exhausting nature of some of the long sightseeing days as well as some of the site visits where you will have to climb on uneven terrain, steps, rocks and sand as well as up inclines and stairs. Some of the sites involve more strenuous walking (uphill on uneven ground) in order to view the sights. Not easily done if you are not in good physical condition. Be prepared with comfortable shoes. You do have the option of staying with the vehicle if some sites seem difficult for you.
